

Give Yourself A Competitive Advantage!

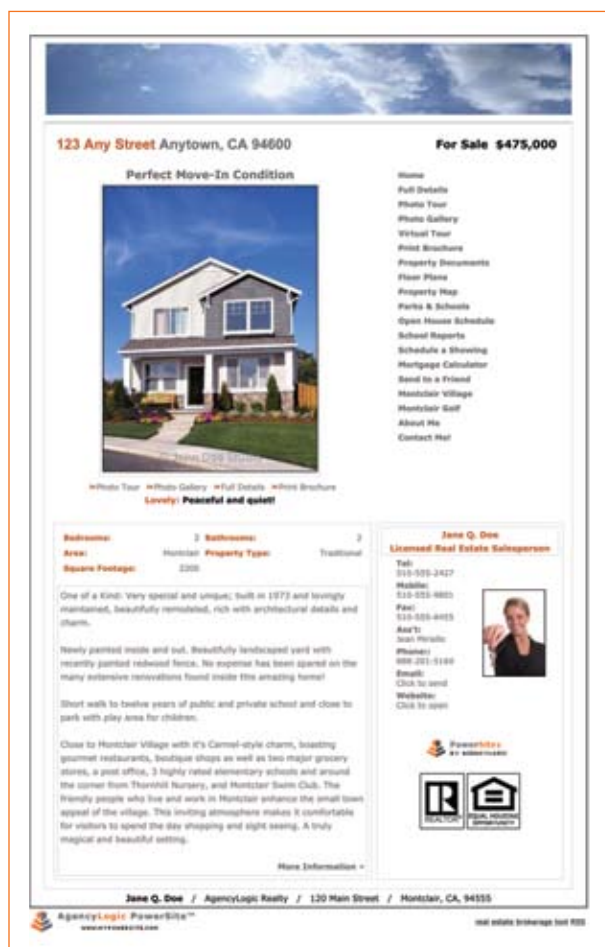

Single Property Websites One Property, One Website, One Solution

As seen in:

*“Waging War on Real Estate’s Discounters:
How to Unlock the Door To A Full Commission”*

by Bernice L. Ross

www.123AnySt.com

PowerSites deliver high perceived value and a savvy Internet marketing strategy to help you win more listings, sell more homes and defend your commission. There is no better way to promote your properties online!

Fast and Easy

- Build an amazing property showcase Website in just minutes.
- Enhance your PowerSites from any Web browser 24/7.
- Active for 12 months, unlimited changes.

Differentiate Your Internet Marketing

- Create market-ready sites for your listing presentations.
- Load as a supercharged virtual tour in Realtor.com.
- Track and share Website statistics.

Reduce Costs

- Reduce print costs, use smaller ads with the PowerSite URL.
- PowerSites cost less than a single newspaper ad.

Increase Productivity

- Online document management.
- Flyer creation on demand.
- Instant photo tours with up to 100 photos.
- Appointment scheduling and much more.

Build Your Brand

- Every page features you and your brand.
- Custom design service available.

Risk-Free

- Build and present PowerSites to your clients at no cost!

Get Started

- Go to www.agencylogic.com and register for free!

*“Make your sellers feel like they’re a priority by creating a dedicated
Website just for their home.”*

- Mike Russer, Mr. Internet
