

PLAYER BINGO

Why not try playing some cut-out bingo with your favourite past and present players?
This game will keep everyone entertained for the rest of the evening.

HERE'S HOW YOU PLAY PLAYER BINGO!

1. Print out this list of players for the bingo caller, the bingo sheets (1 for each player) and the page of player names which are in small squares.
2. Cut out each small name square and put all the squares into a large bowl.
3. Draw out a name from the bowl and read it out loud so everyone can hear.
4. Every player should then cross that name off their list.
5. Once someone has crossed out all names on their bingo sheet they shout **'BINGO'** as soon as possible to win the game!
