

ACCEPTABLE USE POLICY

AgencyLogic (a service of Network Earth, Inc.) shall bear no responsibility or liability for the content of any Web page hosted by AgencyLogic. AgencyLogic does not pre-screen, review or monitor the data, information or other materials that appear on the web pages hosted by AgencyLogic. Any opinions or views espoused on any web page hosted by AgencyLogic do not necessarily reflect the opinions or views of AgencyLogic.

AgencyLogic PowerSites™ may only be used to represent residential or commercial property for sale or rent. Each PowerSite™ license may be used to represent a unique property during the time period the license is valid. The PowerSite™ license may not be reused for a different property. Each unique property requires the purchase of an additional license.

As the author of any and all web pages hosted by AgencyLogic, the user is fully and solely responsible and liable for the contents of all such web pages. ANY AND ALL AGENCYLOGIC SERVICES PROVIDED SHALL BE USED FOR LAWFUL PURPOSES ONLY AND SHALL NOT BE USED BY ANYONE TO POST, PROPAGATE, DISTRIBUTE, PUBLISH, HOUSE, STORE, SOLICIT, PROCESS, TRANSMIT OR OTHERWISE HANDLE ANY OF THE FOLLOWING:

- (1) Obscene Material, which includes, without limitation, any material that is lewd, pornographic, profane, indecent, sexually explicit, obscene, excessively violent, filthy, depraved, or in any other manner offensive;
- (2) Discriminatory or Harassing Material, which includes, without limitation, any material that is discriminatory or harassing in any manner, whether based on race, gender, age, national origin, religion, sexual orientation, marital status, disability or any other basis, or any material that is otherwise harmful, offensive, threatening, abusive, embarrassing, distressful, insulting, vulgar, hateful, disparaging, or otherwise objectionable and in violation of all applicable laws;
- (3) Defamatory Material, which includes, without limitation, any material that is disparaging, slanderous, libelous, or otherwise defamatory and in violation of all applicable laws;
- (4) Fraudulent Material, which includes, without limitation, any material that consists of fraudulent data or information that the user believes or has reason to believe is false and is intended to be relied upon by others;
- (5) False Advertising, which includes, without limitation, any advertising, marketing or promotional data, information or materials that contain any deceptive, misleading and/or false representations, statements, claims, assurances, or messages;
- (6) Violations of Intellectual Property Rights Material, which includes, without limitation, any material that infringes upon another's intellectual property rights,

including copyright, trademark, trade secret, trade dress, patent, service mark or any other electronic or intellectual property right belonging to another person or entity;

(7) "Spam", which includes, without limitation, transmitting unsolicited mail to another person or entity, including unsolicited commercial e-mails and mail bombing large volumes of unsolicited mail to another individual or entity;

(8) Systems Abuse, which includes, without limitation, abuse of AgencyLogic 's hosting servers, attacks on servers, mail bombs, hack attacks, port scanning or probing, materials, conduct or activity that invades any third party's right to privacy, or harmful materials, conduct or activity that prevent other users from effectively using the system;

(9) Illegal Material, which includes, without limitation, any material that is illegal, encourages illegal activity or in any manner violates any international, federal, state or local laws or regulations;

(10) Unacceptable Material, which includes any conduct, data, e-mail, information, content or activity that AgencyLogic, in its sole and absolute discretion, deems to be unacceptable use of the Services provided by AgencyLogic.

AgencyLogic reserves the right to suspend and/or terminate the user's account and Services provided by AgencyLogic (subject to any applicable fees and charges, including termination fees) if it determines, in its sole and absolute discretion that the user is in violation of this Acceptable Use Policy and shall report any illegal activity to the appropriate authorities.
